

Eswatinian Ministry of Health (Eswatinian MoH)

Eswatinian

The Eswatinian MoH's mission is to improve the health of the people of Swaziland by providing leadership in the production, delivery and utilization of health services which will consistently increase longevity and quality of life. The Standard Treatment Guideline and Essential Medicines List of Common Medical Conditions in the Kingdom of Swaziland consists in systematically developed statements designed to assist practitioners in making decisions about appropriate treatment for specific clinical conditions.
